

Your comments continued....

Thank you for taking the time to record your comments. Your views and opinions are important to us and will be taken into consideration as part of our development planning.

Data Protection Statement:-

We aim to always handle your personal information fairly, transparently and lawfully in accordance with the General Data Protection Regulation 2016 and Data Protection Act 2018. Further information about how we collect and use your personal data is set out in our Privacy Policy which can be found on our website and its accompanying privacy notices. We may share this information with our development partners and/or the relevant local authority in our scheme planning.

Please send your response by email to enquiries@wcht.org.uk

Alternatively you may post your response to :
